

INVITATION

to The Sixth Edition of the INTERNATIONAL CONFERENCE OF THE DOCTORAL SCHOOL

*Excellence in Doctoral Studies through Innovation,
Convergence and Interdisciplinarity*

17-19 May, 2023, Iasi, Romania

At its sixth edition, the International Conference of the Doctoral School at the “Gheorghe Asachi” Technical University of Iasi (TUIASI) aims to provide PhD students of the Doctoral Schools from Technical Universities in Romania and abroad with a favorable framework for communicating the results of their research, exchanging ideas and initiating new collaborations, refine their theoretical and methodological approaches, encouraging presentation and continuous development of interdisciplinary research. The conference aims to bring together miscellaneous oral presentations dealing with relevant problems associated to the thirteen doctoral fields at the university: *Chemistry; Computers and information technology; Chemical engineering; Civil engineering and installations; Electrical engineering; Electronic engineering, telecommunications and information technologies; Energetic engineering; Industrial engineering; Materials engineering; Mechanical engineering; Environmental engineering; Systems engineering; Engineering and management*

During the three days of the Conference (May 17-19, 2023), the PhD students will find the best framework to present their papers in English, within five sections. The conference program will also include a series of plenary lectures given by prestigious professors from Romanian universities and abroad with whom TUIASI has close collaborations. The abstracts and papers proposed by the PhD students will be endorsed by the PhD supervisor and will be written in English. The full papers will be recommended for publication in the *Bulletin of the Polytechnic Institute of Iași*.
