

INVITATION

to The Eighth Edition of the INTERNATIONAL CONFERENCE OF THE DOCTORAL SCHOOL

Excellence in Doctoral Studies through Innovation, Convergence and Interdisciplinarity
14-16 May, 2025, Iasi, Romania

The 8th edition of the International Conference of the Doctoral School of “Gheorghe Asachi” Technical University of Iași (TUIASI) offers PhD students of the Doctoral Schools from Technical Universities and abroad a platform for innovation and collaboration, a unique opportunity to address contemporary challenges through interdisciplinary research, an important step for promoting excellence in research, and real support in the professional development of doctoral students.

The conference aims to bring together miscellaneous oral presentations dealing with relevant topics associated with the thirteen doctoral fields at the university: *Chemistry; Computers and information technology; Chemical engineering; Civil engineering and installations; Electrical engineering; Electronic engineering, telecommunications and information technologies; Energetic engineering; Industrial engineering; Materials engineering; Mechanical engineering; Environmental engineering; Systems engineering; Engineering and management.*

During the three days of the Conference (May 14-16, 2025), the PhD students will find the best framework to present their papers in English, within five sections. The conference program will also include a series of plenary lectures given by prestigious professors from Romanian universities and abroad with whom TUIASI has close collaborations. The abstracts and papers proposed by the PhD students will be endorsed by their PhD supervisor and written in English. The full papers will be recommended for publication in the Bulletin of the Polytechnic Institute of Iași.
