

9th INTERNATIONAL CONFERENCE OF THE DOCTORAL SCHOOL 13 – 15 MAY 2026

The 9th edition of the International Conference of the Doctoral School of “Gheorghe Asachi” Technical University of Iași (TUIASI) offers PhD students of the Doctoral Schools from Technical Universities and abroad a platform for innovation and collaboration, a unique opportunity to address contemporary challenges through interdisciplinary research, an important step for promoting excellence in research, and real support in the professional development of doctoral students. The three-day conferences (13th-15th of May 2026) consist of five-panel sessions where PhD students can present and discuss their research papers. The conference program will also include several plenary presentations by prestigious university professors with whom TUIASI collaborates closely. The papers the PhD students propose will have PhD supervisors’ recommendations and be written in English. The students will present their papers in English, and the accepted papers will be invited for publication in the Bulletin of the Polytechnic Institute of Iasi.

Conference sections:

1. Interdisciplinary studies (*held on-site and will include papers from all doctoral fields*)
2. Computers and information technology; Systems engineering; Electrical engineering; Energy engineering; Electronic engineering, telecommunications, and information technology (*held online*)
3. Chemistry; Chemical engineering; Environmental engineering (*held online*)
4. Civil engineering and installations (*held online*)
5. Mechanical engineering; Industrial engineering; Materials engineering; Engineering and management (*held on-line*)
